

Hello Parents and Players,

Thank you to everyone that helped keep our players on the field! It may seem early, but due to our League requirements, we need to turn in our player numbers early to plan our 2022 Season. We ask that you let us know your child is playing by completing a sign-up sheet ASAP.

We are excited to have our new Coach, Jason Borders for the 2022 Season. He with some of the familiar faces you know have lots of playing and coaching experience and we pride ourselves on making our players better on and off the field. Powell Legion baseball has expanded its program over the last few years and we now have 3 teams. Jason has some great ideas on how he can bring the skill levels across the three teams and be more in sync with the overall program goals.

We are looking to start practicing in early January 2022, so please make sure you are subscribed to the **NEW Remind group** called **Pioneers PALB 2022**. As soon as dates are set, we will be sure to let everyone know via email, website, Remind, and our Facebook page. **If you (and your player) haven't subscribed to Remind, please do that ASAP. We send out information on this throughout the year. Send a text to 81010 with this as the message: @h9d993**

It is ok if your child is playing another sport at this time. We encourage them to be well rounded athletes. But if they have time or are not playing any other sports, we expect them to show up. This is a critical time to start building arm strength and fine tuning their swings before the long season starts. Practices will be held at Josh Westerhold's indoor facility. Located off of Lane 8H next to the Church of Christ. The indoor facility has 3 bullpen mounds, two batting cages and turf.

Sign-up fee for this year is \$150 per player. This pays for Pioneer apparel and practice fees for the facility. All players will also be required to fundraise for the 2022 season. The Legion Board will provide several opportunities for your player(s) to raise their expected amount. The money that is raised will pay for team insurance, vehicle insurance, hotels, gas, food, umpire fees, tournament fees, and other miscellaneous items throughout the season.

Because we are a volunteer Board and Non-Profit organization, we need your support. We need parent involvement by helping with Concessions and Score Keeping for home games and Tournaments. Coaches, players, parents and the Board are committed to this program. We request that parents help out with the program by holding your child accountable for their fundraising and making practices/games on time. Together, we can make this a competitive and successful program.

Sincerely,

Powell American Legion Baseball Board
